PRESS RELEASE

2021/2022 UNIVERSITY OF MALAWI SELECTION OF GENERIC NON-RESIDENTIAL STUDENTS AND MATURE ENTRY CANDIDATES

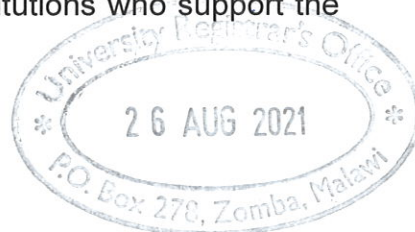

The University of Malawi (UNIMA) Council is pleased to announce names of candidates who have been admitted into the University to pursue various generic and mature entry programmes for the 2021/2022 academic year on non-residential basis.

During the selection process for generic non-residential students, candidates were admitted using the merit system. Under this arrangement, female and male candidates were ranked separately by MSCE aggregate from highest up to the cut off points. The selected candidates had MSCE and other equivalent qualifications. The general public is informed that candidates were selected based on approved criteria for selection used by the UNIMA. Furthermore, all mature entry candidates were selected based on approved UNIMA criteria.

The public is further informed that the National Council for Higher Education (NCHE), under the coordination of the Technical Working Group deriving its membership from all public universities, called for applications from candidates to various programmes in all public universities including the UNIMA. As a result of this, all public universities conducted their selection in a harmonised manner to avoid multiple selection of candidates. However, each university conducted its own selection in compliance with the Act which governs their respective operations.

With regard to the 2021/2022 academic year, there were 12, 827 applications which were received by NCHE to be considered for selection by all public universities. Out of this group, a total of 1651 candidates have been selected to pursue various academic programmes in the University of Malawi. The gender breakdown of this figure is 619 females representing 37.5% and 1,032 males representing 62.5% of the candidates.

All successful candidates should note that they shall be required to find and pay for their own accommodation and meals. Issues pertaining to loans to be used for payment of tuition fees sponsorship are currently handled by Government through the Loans Board for Higher Education and other related institutions who support the education of candidates.

Candidates are advised that the University's accommodation is limited and that this shall be allocated based on the current University criteria which can be sought from the offices of Deans of Students. Candidates are further advised that the University shall announce in due course the starting dates for the 2021/2022 academic year.

All selected candidates will in due course receive their offer letters and will be expected to indicate their offer acceptance. If candidates will not take up their places, such candidates should inform the University in writing within three weeks after the date Council released the results. Reservations of such places only last for a year.

The general public is informed that all candidates in UNIMA are admitted on non-residential basis.

MATURE ENTRY PROGRAMMES

With respect to the Mature Entry intake, 128 candidates have been selected to pursue various programmes. Out of these, 87 are males representing 68% and 41 are females representing 32%.

Council approved the admission of candidates into various programmes on 26th August 2021 and candidates shall report for registration on a date to be announced later.

The list of successful candidates is available on the following websites www.unima.mw and www.cc.ac.mw. The list of successful candidates can also be accessed from the following public group on Facebook: <https://www.facebook.com/groups/unimaadmissions/>.

Further details regarding the 2021/2022 intake and results can be obtained from the University of Malawi during working days from **8:00 a.m. to 4:30 p.m.** using the following number: (+265) 1 524 222 (*switchboard line*) or **Email:** registrar@cc.ac.mw.
